Dear Chippewa Valley Schools Construction Trades Students:

It is an honor to recognize you for your recent work done on the Habitat for Humanity House.

Serving the public is one of the noblest tasks one can choose, and your willingness to do so speaks volumes about the greatness of your character. Robert F. Kennedy once said, "It is from numberless diverse acts of courage and belief that human history is shaped. Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples build a current which can sweep down the mightiest walls of oppression and resistance." Thank you for your efforts to bring hope and an improved quality of life to so many.

Please accept my appreciation for your work done with Habitat for Humanity and best wishes for your future success.

Sincerely yours,
